

Williams Auxillary Power Supply APS011

Install Instructions

The Rottendog Amusements APS011 comes with fuse values that meet "most" of the Williams system 11 pinball games. However, you should verify this with your game manual in order to make sure the end product is completely compliant.

The APS011 comes with the following fuse values

F1 2.5A SB

F2A 2.5A SB

F2C 5A SB

F3 2.5A SB

F4 2.5A SB

F5 2A SB

F6 2A SB

F7 4A SB

F8 7A SB

If your game is not listed below, you can install the APS011 as shipped. If your game is listed below, please replace the fuse listed with one of the 5A SB fuses included with you APS011

F8 Big Guns, Cyclone, Space Station

F3, F4 Black Knight 2000

F1 Diner, Rollergames, Whirlwind

F3 Earthshaker
